

Kingsley's Catch-Up

Welcome to all our new families that have recently joined us at SwimKings.

STAFFING

A reminder that where possible, if your child/children's teacher is away, we do try and have the same teacher cover these shifts. Unfortunately with our staff being university students timetables sometimes do not allow for this. Any changes are written on the glass entrance into the pool.

WATER SAFETY

It is International Water Safety week starting 15th May – 21st May. With this in mind all SwimKings lessons will be around water safety for that week. This is a very important part of learning to swim and being safe in and around water. The children will not require clothing/pj's for this lesson.

SCHOOL SWIMMING

During the fortnights 16th May – 27th May we have Yrs 0 – 2, from Westburn School in for lessons. If you child is a SwimKings swimmer please ensure their level is recorded when completing the self assessment sheet.

CAR PARKING

As always please remember not to stop in the driveway as this causes congestion out on to Main South Road. There is plenty of parking at the old VTNZ building (heading towards Main Road South/Blenheim Road roundabout) it's a short 2 minute walk away.

OUR DECK SUPERVISORS

Maddie, Sinead, Jackson R, Jackson O, April and Aimee are our current Deck Supervisors. If you have any questions/issues regarding your child/children or their teachers please approach the DS rather than our Receptionist to discuss these matters. They are there to help you and your child during their lesson time at SwimKings.

FEEDBACK

Email us at feedback@swimkings.co.nz we love hearing from you.

IMPORTANT DATES

Queens Birthday 6th June – We are closed on this day. Lesson resume Tuesday 7th June.
