

Booking your child in for Learn to Swim lessons with KINGS SWIM SCHOOL CO. LTD

KINGS SWIM SCHOOL CO. LTD operates the "Perpetual System" of swim school lessons.

This means that your child will progress through the various levels of learning to swim at their own pace and will not be required to wait until the end of a term to change levels.

The perpetual system does not recognize school terms but rather operates on a continuous timetable allowing for a break over the summer holidays. You may nominate three weeks per year to "take a break" and will not be charged.

You will automatically be re enrolled at the same time on the same day until your child's progress may require a shift to a more advanced class that is not available at that time.

This progress will be advised by the instructor to reception who will contact you directly in this regard.

Unlike the term by term system you will book in for lessons only once and be charged weekly, fortnightly or monthly in advance for each month. This will continue until you advise KINGS SWIM SCHOOL CO. LTD that you no longer require the service or that you wish to take a break from the programme; in which case KINGS SWIM SCHOOL CO. LTD can place you on a waitlist for when you return.

In order for your booking to be processed by KINGS SWIM SCHOOL CO. LTD we require the following items to be completed:

- "Conditions of Service Agreement" and "Authority to accept Direct Debits"
- Other information available to you includes a **schedule of payments**, so that you can calculate your monthly payments by seeing how many days apply per month
- KINGS SWIM SCHOOL CO. LTD will organize the payments for you once you have completed the **Direct Debit (do not take to your bank)**
- Arrange an assessment free of charge for your child (so your child is in the correct level)

The **Conditions of Service Agreement** outlines the services provided by KINGS SWIM SCHOOL CO. LTD and the responsibilities of all parties. This form must be signed before lessons can commence.
