

KINGS SWIM SCHOOL CO. LTD operates the “Perpetual System” of learn to swim lessons.

This means that your child will progress through the various levels of learning to swim at their own pace and will not be required to wait until the end of a term to change levels.

The perpetual system does not recognize school terms but rather operates on a continuous timetable allowing for a break over the summer holidays.

You will automatically be re enrolled at the same time on the same day until your child’s progress may require a shift to a more advanced class that is not available at the same time.

This progress will be advised by the instructor to reception who will contact you directly in this regard.

Unlike the term by term system you will book in for lessons only once and be charged weekly, fortnight or monthly in advance for each month. This will continue until you advise KINGS SWIM SCHOOL that you no longer require the service or that you wish to take a break from the program; in which 4 weeks’ notice is required.

In order for your booking to be processed by KINGS SWIM SCHOOL we required the following items to be completed;

- “Conditions of Service Agreement” and “Authority to accept Direct Debits”
- Other information available to you includes a schedule of payments, so that you can calculate your monthly payments by seeing how many days apply per month
- KINGS SWIM SCHOOL will organize the payments for you once you have completed the direct debit authority form, DO NOT TAKE THIS TO YOUR BANK
- Arrange an assessment free of charge for you child to assess the correct level

The **CONDITIONS OF SERVICE AGREEMENT** outlines the services provided by KINGS SWIM SCHOOL and the responsibilities of all parties. This form must be read and signed before lessons can commence.

**Advantages to you the client:**

- This means that you do not have to queue up to rebook or race in to get the tie and space that you like or miss out on days and places that you had last time.
- You will book in for lessons only once.
- The cost of the lessons is spread throughout the year, rather than in 4 large payments
- More regular instructions without holiday breaks when skills can be forgotten
- Your child progresses at THEIR own pace
- KINGS SWIM SCHOOL reception and managers are happy to discuss any further questions you may have and will work towards making the process the process as simply as possible

**WE LOOK FORWARD TO OPENING UP A WORLD OF AQUATIC OPPORTUNITIES**
